

CAN'T WE JUST GET ALONG?: How To Go From Conflict To Collaboration

Monique draws from her background as an Educator and Experiential Facilitator to help you tap into what is most meaningful to you when having to face differently thinking people in your life.

Delegates rave about her ability to make them laugh while they learn. Will your audience be next?

Rave Reviews:

“Great Presenter! Kept the audience interactive while teaching us how to deal with stress in a good way. There was just the right amount of information presented that I can use right away.”

Maxine Murdock, Executive Assistant, Fisher River Economic Development Corp

“I now have a new internal voice that reminds me to look for win-win solutions when we seem to have different goals. Monique, thank you for sharing your tools with us. I really appreciate this improvement.”

Monica Karam, ADHD Support Group, Founder

“Monique has an open and honest approach and a good sense of humour. The audience found the process and information very helpful for their personal lives and their interactions with the clients of the organization.”

Stephen Wohl, Cummings Centre

KEYNOTE or TRAINING

Drawn from the brilliant Thomas-Kilmann models of conflict, this program empowers people to make different behaviour choices to improve relationships and outcomes.

Summary:

Do you wonder why Mary clams up when she disagrees and why John yells louder when he's not getting what he wants? Decoding your conflict resolution strategies helps you elevate the quality of your relationships and problem solving skills.

In times of conflict and stress, a little knowledge can go a long way. Increase your team's confidence, creativity and productivity by understanding what drives our behaviours when we have a difference of opinion.

After this program, you will be able to:

- Understand what's behind the conflict
- Identify which of the 5 modes of conflict you and your colleagues fall into
- Elevate respect and trust amongst team members

Who Should Attend?

This program is perfect for any organization who wants to elevate the civility and collaboration when different personalities are involved.

Program Length:

This program can be customized from 60 minutes (keynote/breakout) to half-day and full-day formats. Strategic Work Sessions are customized to address organizational objectives using a consultative process.
